

Jeffrey A. Sklar, MD, FAAD

is a nationally acclaimed dermatologist and cosmetic surgeon known for his innovative techniques and skills in liposuction, Botox®, and wrinkle fillers. With a 30 year affiliation with Columbia University College of Physicians & Surgeons, Dr. Sklar holds the academic appointment of Clinical Assistant Professor, instructing residents in cosmetic surgery. His extensive resume includes being named to the prestigious Castle-Connelly's "Best Doctors in N.Y." yearly since 1999. Dr. Sklar, a national trainer for Botox®, has been recognized as the top Botox® injector on Long Island for two years. A media favorite (NBC, ABC, FOX, CNBC, MSNBC, Discovery Channel), Dr. Sklar has been featured on the "Today Show," "Dateline" and "Extra." He has been quoted in numerous magazines including *Allure*, *Self*, *W*, *Mirabella*, *Harper's Bazaar*, *Newsweek* and *Time*. Dr. Sklar has lectured worldwide on liposuction and cosmetic surgery and has been published in leading medical journals. His volunteer work, support for the community, and teaching have earned him a citation from President Bush.

As medical director of *The Center For Aesthetic Dermatology* for over 20 years, Dr. Sklar leads an outstanding team of physicians and staff dedicated to offering the best in comprehensive skin care. The team of board certified dermatologists and plastic surgeons offers the most advanced treatments for adult and pediatric skin conditions, Mohs skin cancer surgery, as well as the latest techniques for surgical and noninvasive cosmetic enhancement. *Explore your possibilities at his informative web site.*
